Request for an overview of data according to § 34 BDSG

We would like you to be properly informed. Together with your overview of data according to § 34 of the German Data Protection Law you will also receive details of any inquiries regarding creditworthiness made by contracting parties during the past 12 months. As part of the scoring procedure we will generate as reliable a forecast as possible for the future based on our collective experience. For example, using mathematical and statistical procedures we will calculate the probability that a customer will comply with any contractual payment obligations.

Current creditworthiness check

Please tick if you would also like to learn your current creditworthiness.

Yes, I would like to order a free data overview (Datenübersicht) as provided for in Section 34 of the German Federal Data Protection Act (Bundesdatenschutzgesetz ~ BDSG).

Date, Signature

**Alternative option:
Order a credit report**

The benefits to you are as follows:

Two documents in one:

- a conclusive report **for your business partners (e.g., if this is requested when you rent a flat)**, which does **not contain all** the details about your person stored at SCHUFA, but rather only that information which is necessary in order to establish trust between you and your business partners,
- and a clearly structured, comprehensive report **for your personal use**, which does contain **all** the information about you stored at SCHUFA.

The credit report is available for **€18.50**.
